# Global Farming 'Speed Dating' Trade Show

**22 September 5:30pm**

You are invited to register for the second AgBio NZ cluster event for 2010.

This is a trade-show style event where members will have the opportunity to set up a conversation space and deliver your 2 minute 'elevator pitch'.

We will be inviting active global players from outside the region. This is your opportunity to meet prospective partners, customers and suppliers.

Please register your interest to
